Carly Cummings

Former CCA

**What makes Asia the leader in
speed of innovation and
change in supply chains?**

In this session, you will learn:

- How do Asian businesses operate differently to Australian corporations on a day to day level, in terms of innovation, entrepreneurship, and

speed of implementation / speed to market.

- Learn why doing something 50% faster with 90% accuracy is better than aiming for perfection.
- Learn why doing something 80% cheaper with 80% of the functionality can be better than pursuing high-end tier one solutions.
- What are the career benefits of working in Asia.
- How does the Australian market view Asian experience and why should they change their mindset.

Lunch

12:35pm – 1:35pm

Session 3
